AETNA MOWERS

Double motion; controlled by mechanical
instead of animal power; warranted not
to clog; defies all other machines to a
contest.

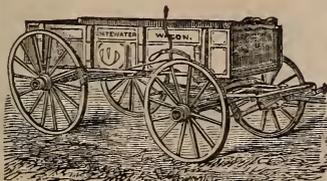

Aetna Self-Rake Reaper
Same as opposite—performing equally as
well as the Mower.

RUSSELL'S THRESHERS, with Lanfenberg's Patent End-Shake Shoe, took the Premium at the last State Fair, and is the best Thresher in the world.

HOADLEY'S ENGINES.—These Engines, for Threshing and other purposes, stand unrivalled and unapproachable; over six hundred sold and no word of complaint.

TREADWELL'S SINGLE-GEAR HEADERS.

These Headers have proved the lightest running and best made machine ever introduced into California.

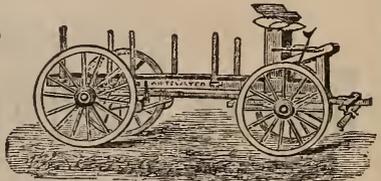

WHITewater WAGONS

AND

HEADER TRUCKS.

These Wagons are having a great run, being made especially for this climate, and are on hand.

Cook, Rymes & Co's Hoisting Engines, for Mines, Ships, Pile-Driving; they are made at the original shop; the best hoists in use. **N. Y. Safety Engines**, from Two to Ten Horse-Power; they are combined on one bed; semi-portable; they are beauties. **Blake's Steam Pumps**—These Pumps are celebrated; all sizes. **Sturtevant's Blowers** are in general use for blasts. **Belting**—Best Leather and Rubber. **Felting**—Made of hair; generally used, and a great saving in fuel. **Steam Gauges**—Ashcroft's; of all descriptions. **Gang Plows**—"Victor" and Treadwell's Gang; best Gang in California. **Pitt's Horse Powers**—Mounted and "down." **Hardware**—General Assortment. **Rope**—California made; all sizes. **Nails**—Best brands. **Woolen Mill Supplies**—Everything required by Woolen Mills. **Mining Goods**—All articles pertaining to this business. **Saw Mills**—Portable; of best make, for transportation.
