Woodstock Electrite

Powered by electricity
Power does the work—not your wrists

THE SPEED OF TRAINED LIGHTNING

The pace that kills the Ordinary typewriter is just a normal gait for the Electrite!

When this new kind of typewriter comes into your office, out goes careless, slighted work; out goes the pile-up of unfinished letters; out goes the 4 o'clock fatigue which is the bane of existence to every typist and stenographer.

Woodstock Standard

Represents the latest achievement in typewriter construction, gives the greatest measure of satisfactory service and a quality of work that is unsurpassed.
