Possible Customers

TELEPHONE users
represent the best
class of buyers.

They are using the Class-
ified Section of the Tele-
phone Directory as a
buyer's guide more than
ever before, and are all
possible customers.

Do you realize the value
of having your business
completely represented
under the many standard
classified headings?

Perhaps the cab company you
called can't give you immediate
service, and your time is limited
—look under "Taxicab Service
Business"—some other company
may have an idle cab to dispatch
at once.
