Laundry Your Curtains

This Better Way

Every curtain is dried
to exactly its original
size.

Curtains are gently
patted down—no pins
or hooks used.

Corners are always
square—curtains hang
correctly.

Every Curtain measured before washing, then dried exactly
to the original size.

Scallops shaped perfectly; corners made square and true.
No pins or hooks used which might tear or otherwise mar
the curtains.

The result will be a wonderful improvement in your hang-
ings after such careful finishing as this, preceded by a
gentle, freshening bath in pure, fleecy suds. You'll never
bother again to do them at home—worry with hooks and
stretchers, pin tears and crooked corners—when you can
have us launder them so daintily clean and shapely.

Once more they will drape
beautifully smooth and
true as when new, and
lend fresh beauty to your
windows.

Just gather together your
curtains, bundle them up,
and phone us. They will
be called for and returned
promptly.
