

T. WAH HING & SON

(40 years' experience in Sacramento)
OLDEST AND MOST SUCCESSFUL CHINESE HERBALISTS

二和興醫院余樂三寓

Chinese herbs date back to centuries before Christianity and their health-giving capability has been proven by five generations of Hings in China and America.
 T. Wah Hing & Son represent the fourth and fifth generations of the family of successful herbalists.
 The great grandfather and grandfather of T. Wah Hing were successful herbalists in Canton, China, and had a large following and taught many others to be herbalists. His father was also a successful herbalist in Nevada and California for more than fifty years.

When T. Wah Hing was a small boy his father sent him back to China to study. After graduating from Hong Kong Medical College he returned to America over 40 years ago and established an office in Sacramento. Recently one of T. Wah Hing's sons, also having studied in China returned and joined him.

To Whom It May Concern:

For about ten years I had stomach trouble and could eat nothing with any comfort or satisfaction. About two hours after eating I would suffer terrible pains and would only gain relief through vomiting. Also at night I would not sleep more than half the night or until I vomited. I had no ambition to follow my vocation, that of playing an old time fiddle and singing old-time songs. I tried different doctors and springs but with no relief.

Fortunately a friend suggested that I see T. Wah Hing & Son, the Chinese Herbalists. Dr. Hing prepared his herbs and within twenty minutes after taking the remedy I was much relieved. So I continued with his treatment and after taking three bottles of herbs I was virtually well and could eat and sleep without trouble.

Now play and sing over the radio and am in fine health. To anyone suffering from ill health, I will gladly recommend the herb treatments of T. Wah Hing & Son.

(Signed) W. R. FRAZIER, 2317-1st Ave., Sacramento, Calif.
