

When Days are too Fine for Shopping

It's a fine day — too fine for shopping. But shopping must be done!

You can now telephone your wants to the different dealers. Right in your own home, through a new service of the Buyer's Guide, you can learn instantly where almost any article you may need is sold. The rest of the day is *yours!*

A. E. PATRICK 914—18th Street

If it smokes see Patrick—beware of imposters and amateurs. For more than 25 years I have made a study of poor chimneys, draughts of all descriptions; being a practical heating expert, enables me to locate the trouble connected with the chimney and flues. If you are having trouble with your heater, furnace, stove, French range, stove or fireplace

Seek Expert Advice, as it Will Result in Your Financial Interest—Oldest and Most Reliable

Hot-air furnaces, heating, cooking apparatus cleaned and repaired. Hot-water heaters painted, stacks, rods, vent pipes, smoke pipes and patented chimneys, stove-lining and everything pertaining to combustion made to order. Three experts connected with this business. Sheet metal plumbing and draughts.

SEE THE PATRICK OIL BURNER

Patented, especially suited for hot-air furnaces, hot-water boilers, sterilizers and low-pressure plants—economical and sootless.

An Old Merchandising Difficulty Solved at Last

The "Buyer's Guide" introduces the potential buyer, interested in a particular product by effective national advertising, to the local dealer who sells it.

Buyer's Guide
