Under the phrase "Where To Buy It" you will find listed the local stores or agents of a great many nationally-advertised articles.

The list of manufacturers who so list their local representatives is not yet complete, for this feature of your yellow-paged Buyer's Guide is new. But it is rapidly developing, and this year is bigger than ever.

"It's easy to be a good housekeeper if I use the Buyer's Guide."

"People call me an unusual manager, but I have simply learned to make use of the yellow telephone pages."
