First look up the local
dealers—then go to
the nearest or the one you
prefer—or, better still,
Telephone!

Things electrical? Look for them in the Buyer's Guide

That interesting new chafing dish at
Mrs. Burbeck's party—where shall you
purchase one like it?

Look in the Buyer's Guide, those use-
ful yellow pages of telephone informa-
tion! Under the general heading "Elec-
trical Business" you will find "Electrical
Appliances", and there will be manufac-
turers' names, descriptions of their
wares, and—under the words "Where to
Buy It"—each authorized dealer in the
city.

An up-to-date service for busy people.
You'll find it wonderfully convenient!
