Buyer's Guide Advertising

Recognized by progressive business men as a profitable investment, because:
—of its wide circulation to business houses, offices and homes.
—of the reliability of the information contained therein.
It is used as a Buyers Guide by people in all walks of life.
Every Business firm should be adequately represented under the headings descriptive of the service they render. We will be pleased to discuss the matter with you at your convenience. The cost is but a few cents a day.
