FOR CURTAIN CLEANING and LAUNDRING

We have special machinery for
laundering curtains—and the
finest fabrics are gently cleansed
and then placed in our spe-
cially planned curtain dryer
and finisher which retains the
original size, with edges
straight, corners square and
scallop same as when new.

I have made a life study of plate mak-
ing. We always set the teeth uneven
and artistically so they don't appear
false and so the gums do not show
between the teeth when you smile.
