THE SAME TYPEWRITTEN MESSAGE TO EVERY OFFICE AT ONCE!

Teletypewriter Service is a quick,
accurate method of local inter-office
communication. By means of private
wires it connects main office with local
branches, factories, warehouses, and
other units within convenient range.
Widely separated offices can receive
the same typewritten message simulta-
neously.

Would this service help you? Our
business office will consider it a pleasure
to go into the plan in detail with you.
