Three minute telephone calls are good  
for an average of 378 words. You can say  
a lot in three minutes!

## Telephone Ahead...

It cuts waiting time — and  
helps you to get business

Often the order that someone in  
the outer office is waiting to dis-  
cuss goes to another who has  
telephoned ahead, and is in there  
selling.

Telephoning paves the way. It  
helps you to get business. The  
cost is low.

## When...
