X-RAY Chiropractors

- BEST RESULTS can only be obtained through Chiropractic when it is administered absolutely correctly. We have installed in this office every known device which we feel is necessary to accurately analyze your trouble, and show the exact position of each vertebra in your spine.
- THE X-RAY is the only EXACT method of determining the condition of your spine. No other instrument or machine can take the place of the X-Ray, or show YOU the condition of your spine.
- WE HAVE just installed the latest in X-Ray machines, which shows the entire body on one film. We now use Logan Basic Technique, the latest, most scientific of modern Chiropractic methods.
- YEARS OF EXPERIENCE coupled with exacting care in each case, has built our reputation for getting sick people well. We do not care how many things you have tried; Don't say that you have done "everything there is to be done" until you have consulted us about your condition.
- Our fees are always modest. Our treatments cause no discomfort or delay from work.
- YOUR CASE will not be accepted unless we feel satisfactory results can be obtained.

Drs. Smith and Du Franske
