Telephone MAIN 2278
Nights and Sundays—Main 5397

E. R. HILL
P. O. Box 154, Broderick, Calif.

HAND TELEPHONES
Available in Two Styles

The familiar cradle-type hand telephone is a combination of utility, convenience and good looks. It is preferred in most homes and offices.

The hang-up type hand telephone allows more desk working space and yet is in easy reach for instant use. It is also ideal for home kitchens and other locations where there is no table space.

For information about this or any other telephone equipment call our Business Office.
