Three minute telephone calls are good  
for an average of 378 words. You can say  
a lot in three minutes!

Telephone Ahead...

*It cuts waiting time - and  
helps you to get business*

Often the order that someone in  
the outer office is waiting to dis-  
cuss goes to another who has  
telephoned ahead, and is in there  
selling.

Telephoning paves the way. It  
helps you to get business. The  
cost is low.

to have a  
TELEPHONE

When concluding a business in-  
terview, it's worth while being  
able to say, "This is my telephone  
number." And when your friends  
want to reach you quickly, or  
you want them, how much a  
telephone means!

Nothing does so much for so
