ERRORS IN THIS DIRECTORY

The Company does not assume any liability because of errors or omissions in compiling this directory. Sometimes, despite care and attention, errors will occur. Please check your listing in this directory. If it is incorrect in any way, please call the Business Office so that it may immediately be corrected in our records as well as in subsequent issues of the telephone directory.

CHANGES IN DIRECTORY LISTINGS

In order that your listing may be shown correctly in the following directory issue, you should notify the Business Office, preferably in writing, of any change that may occur, such as the city changing your house number or street name, as soon as the change is made.

To lessen the possibility of error, it will be helpful if you report any changes in listings as these changes occur, rather than at the closing date of the directory, because of the great amount of work necessary in preparing the directory for the printer.

Changes can be made only up to the closing date.

To facilitate sending telegrams or cablegrams you should call telegraph companies as listed in the alphabetical directory.

Charges for telegraph messages of The Pacific Telephone and Telegraph Company at all exchanges, and the Postal Telegraph-Cable Company and The Western Union Telegraph Company at certain exchanges, placed by telephone, will be billed by the Telephone Company on its bill for telephone service, or, if sent from a public coin box telephone, the charges will be collected at the time the message is sent.

TIME SERVICE

The time may be obtained by requesting it from the local operator. The charge for this service will be the same as the charge at your regular rate for any other local call.
