FOR TELEPHONE USERS
WHO ARE HARD OF HEARING

Important aids for the deaf have been
developed by the Bell System. Those who
are hard of hearing over the telephone can
be provided with head sets and special
amplifying equipment. Our business office
will gladly explain.

IS IT EASY TO DO BUSINESS

WITH YOU?

Customers of firms using Interexchange
Receiving Service are finding it that way.
Interexchange Receiving Service will
make your customers' telephones your local
representatives, ready to take an order any
time of the business day.

This service gives you out-of-town rep-
resentation where you want it, more inter-
active market coverage, and reduced sales
cost.

Let one of our representatives tell you
about it.
