Prompt answering is courteous and hospitable and helps to release the telephone equipment that much sooner. Our Country needs its telephone equipment these days.

*Lips close to the
Telephone
for best results*

Please speak distinctly
when you telephone,
with lips close to the
mouthpiece.

Just as you can't hear
when you take your ear
inches from the receiver,
so others can't hear unless
you keep your lips
close to the mouthpiece.

Tools, equipment, methods of tackling the

job and the "language of the business" are the

same north or south, east or west. Manage-

ment men, construction men, maintenance

men from all parts of the country know how

to meet any emergency with teamwork.
