4. If you realize a mistake has been made, hang up. After waiting a few seconds, lift the receiver. When you hear the dial tone again, redial the complete number.

OTHER SUGGESTIONS ON DIALING

- Let the dial return freely after each letter and figure is dialed.
 - Be careful not to confuse the red figure "0" (zero) with the black letter "O" or the red figure "1" (one) with the black letter "I".
 - From an extension or party line telephone, if you hear someone else dialing when you lift the receiver, tell him you have interfered with his call. Then hang up and make your call later.
- If, while dialing, you hear someone else come on the line, tell him the line is in use. When he hangs up, replace
