It's good business to keep your firm
name, services and commodities listed
and advertised in the Classified Telephone
Directory, for that places your firm's name

Good party-line neighbors are con-
siderate party-line users. Remember
these golden rules:

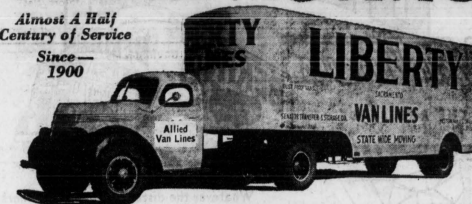

- Space your calls instead of making several without a break.
- Talk only as long as necessary on each call.
- When you finish talking replace the receiver properly.
- Make certain, if you are using a dial telephone, that the line is clear before you dial.
- Ask your youngsters to be considerate, too.

Busiest Book in the World

The familiar telephone direc-
tory is America's No. 1 refer-
ence book. It is the busiest
book in the world because it
is helpful to practically every-
one.
