(Continued Next Page)

Here's how you may be sure of getting your party more often when you dial:

1. Look up your number in the latest directory.
2. Listen for the steady humm of the dial tone.
3. Keep your eye on the dial.
4. Wait a minute before you decide your party isn't home.

WHY SOME TELEPHONES

REPORT *busy!*

Conversation finished but receiver left "off the hook" — forgotten.

Books, ash trays, ornaments can keep it "off the hook" too.

For full use of your telephone, please keep your instrument "hung up"—ready for service.
