If no answer call. .... WAbsh 5-0392

NEWSPAPER FIREWOOD  
To make a small grate or stove fire,  
or to kindle a big one, use old news-  
papers which have been rolled up  
tightly, soaked overnight in water,  
squeezed out and allowed to dry for  
several days. The tighter they are  
squeezed, the better firewood they  
make.
