Two friendly telephone habits:  
QUICK to answer when your bell  
rings; SLOW to hang up when you  
call someone who does not im-  
mediately respond. In calling  
others, remember that the called  
person may be almost there—so  
wait a few seconds longer.

In these busy days when saving  
time is so important, more and  
more telephone users are follow-  
ing the thoughtful way of answer-  
ing the telephone: "Harry Smith  
speaking." Such an introduction  
establishes identity, saves time  
and makes a good impression.

An extension telephone adds  
comfort and convenience to your  
home for only a few cents a day.

Good party-line neighbors are  
considerate party-line users. Re-  
member these golden rules:

- Space your calls instead of mak-  
ing several without a break.
- Talk only as long as necessary  
on each call.
- When you finish talking replace  
the receiver properly.
- Make certain, if you are using a  
dial telephone, that the line is  
clear before you dial.
- Ask your youngsters to be con-  
siderate, too.
