KEEP LIGHT FROM MILK
Keep light from milk to prevent
loss of riboflavin, its most important
vitamin element. If you don't
meet the milkman, leave out a
covered, insulated box for bottles
of milk. Remember that light hurts
milk more than heat does in a
short time.

Here's how you may be sure of
getting your party more often
when you dial:

1. Look up your number in the lat-
est directory.

2. Listen for the steady hummm
of the dial tone.

3. Keep your eye on the dial.

4. Wait a minute before you de-
cide your party isn't home.
