TO FILL CRACKS

Cracks in wooden walls, etc., can
 be permanently repaired by filling
 them with a thick paste made of
 approximately 1 part linseed oil, 2
 parts hot glue, 3 parts whitening and
 4 parts sawdust.

Good party-line neighbors

considerate party-line users. Re-
 member these golden rules:

- Space your calls instead of making several without a break.
- Talk only as long as necessary on each call.
- When you finish talking replace the receiver properly.
- Make certain, if you are using a dial telephone, that the line is clear before you dial.
- Ask your youngsters to be considerate, too.
