Good party-line neighbors are
considerate party-line users. Re-
member these golden rules:
• Space your calls instead of mak-
ing several without a break.
• Talk only as long as necessary on
each call.
• When you finish talking replace
the receiver promptly.
• Make certain, if you are using a
dial telephone, that the line is
clear before you dial.
• Ask your youngsters to be con-
siderate, too.
