Behind on orders? Let handy **YELLOW PAGES** introduce the suppliers you need. It's fast—convenient. Wise buyers say there's nothing like the **YELLOW PAGES** of your telephone book for getting in touch with almost everyone around who sells things, fixes things, does things. Try the **YELLOW PAGES** once... you'll use it often.

Here's how you may be sure of getting your party more often when you dial:

1. Look up the number in the latest directory. Write it down.
2. Listen for dial tone.
3. Dial carefully.
4. Wait a minute before you decide your party isn't home.

Don't forget to plan for concealed telephone conduit and convenient locations for telephone outlets when you build your new home. These built-in telephone facilities add real value to a home, yet their cost is very small if they are installed during construction.
