Good party-line neighbors are  
 considerate party-line users. Re-  
 member these golden rules:

- Space your calls instead of mak-  
 ing several without a break.
- Talk only as long as necessary on  
 each call.
- When you finish talking replace  
 the receiver properly.
- Make certain, if you are using a  
 dial telephone, that the line is  
 clear before you dial.
- Ask your youngsters to be con-  
 siderate, too.

**NEWSPAPER FIREWOOD**

To make a small grate or stove  
 fire, or to kindle a big one, use  
 old newspapers which have been  
 rolled up tightly, soaked overnight  
 in water, squeezed out and allowed  
 to dry for several days. The tighter  
 they are squeezed, the better fire-  
 wood they make.

**WINDY DAY HINT**

In hanging heavy articles, catch  
 2 thicknesses of fabric below the  
 line with clothes pins to prevent  
 them from blowing off.
