Good party-line neighbors are considerate party-line users. Remember these golden rules:

• Space your calls instead of making several without a break.

• Talk only as long as necessary on each call.

• When you finish talking replace the receiver properly.

• Make certain, if you are using a dial telephone, that the line is clear before you dial.

Ask your youngsters to be considerate, too.

Make it a habit to "Look inside the YELLOW PAGES" — you'll save time and effort.

The men and women in the Bell System are used to meeting emergencies and they are trained and equipped to carry on in times of special need. For years they have known the test of fire, flood and storm. Always before them is the tradition that "the message must go through."
