Good party-line neighbors are considerate party-line users. Remember these golden rules:

• Space your calls instead of making several without a break.

• Talk only as long as necessary on each call.

• When you finish talking replace the receiver properly.

• Make certain, if you are using a dial telephone, that the line is clear before you dial.

• Ask your youngsters to be considerate, too.

TO REPAIR LINOLEUM

If you have a break in the edge of linoleum, take a good-sized piece of cloth (to reach well beyond the break at all points), cover it with glue and put it beneath the linoleum. Weight it down with heavy objects until it has had time to dry and set.
