KEEP LIGHT FROM MILK

Keep light from milk to prevent

loss of riboflavin, its most important

vitamin element. If you don't

meet the milkman, leave out a covered,

insulated box for bottles of

milk. Remember that light hurts

milk more than heat does in a short

time.

## ANTICIPATING Your Emergency SITUATIONS...

Most business firms advertise in  
the **YELLOW PAGES** to make it easy  
for you to find them.

They would appreciate your telling  
them that you called because of  
their advertising in the

## When the Need is URGENT

You want to know these things about  
the concern you call: Hours of service,  
location, delivery, promptness of service,  
equipment, quality of service, reliability,  
years in business. Concerns mention these  
points in their advertisements in the  
Yellow Pages.

*You'll save time when  
you call long distance by number*

A special occasion call to far away family members . . . an important business call to another city . . . any long distance call goes through faster when you call by number. So next time you have an out-of-town call to make—remember you'll get faster service if you give the operator the number you're calling—rather than just the name and address.

*for your list of personal numbers*

This FREE BOOKLET is yours for the asking. It's the handy way to keep out-of-town numbers . . . and frequently called local numbers . . . always at your fingertips. To get your free booklet—just telephone, send a postcard or drop in at your nearest Pacific Telephone business office.
