 Organizations; Social Service Organizations;
 Etc

For accurate dialing of your calls, wait a few seconds for the steady humming sound of the dial tone. Then dial each letter and numeral gently, without forcing. If you get a busy signal, please hang up before dialing again.

Please distinguish between the letter "O" and the numeral "0" when dialing. Be sure to bring your finger all the way around to the finger stop for each letter or digit and then release the dial without forcing or retarding its return.

HAMMOND... best because:
ORGANS
 • easy to play
 • widest variety of tones
 • service-free design
 • Never needs tuning

Organ lessons
 Outstanding teachers

Guaranteed
