ONIONLESS ONION
If you like potato salad but do
not like raw onion, you might try
boiling an onion in the water in
which you are boiling the potatoes
for the salad. This gives the spuds
the flavor of onion.

Party Line Pointers:
1. Space your calls instead of making a whole series.
2. If you're in an emergency call and the line is in use, explain the circumstances to the person using the line.
3. If you are calling from a dial telephone always make certain the line is clear before you dial.
4. When the children use the telephone, ask them to be considerate, too.
5. Replace the receiver properly when you finish your call.

for
Your Convenience
Directories for other
cities are available in
the Business Offices
and at attended public
telephone stations.
