Here's how you may be sure of getting your party more often when you dial:

1. Look up the number in the latest directory. Write it down.
2. Listen for dial tone.
3. Dial carefully.
4. Wait a minute before you decide your party isn't home.

 Telephone cords and water don't mix. A wet cord can put your telephone out of order, so please keep your telephone cord away from sinks, valves, steam and other places where water might get on it.
