Good party-line neighbors are
 considerate party-line users. Re-
 member these golden rules:

- Space your calls instead of making several without a break.
- Talk only as long as necessary on each call.
- When you finish talking replace the receiver promptly.
- Make certain, if you are using a dial telephone, that the line is clear before you dial.
- Ask your youngsters to be considerate, too.

KEEP LIGHT FROM MILK

Keep light from milk to prevent
 loss of riboflavin, its most impor-
 tant vitamin element. If you don't
 meet the milkman, leave out a cov-
 ered, insulated box for bottles of
 milk. Remember that light hurts
 milk more than heat does in a short
 time.
