Good party-line neighbors considerate party-line users. Remember these golden rules:

- Space your calls instead of making several without a break.
- Talk only as long as necessary on each call.
- When you finish talking replace the receiver promptly.
- Make certain, if you are using a dial telephone, that the line is clear before you dial.
- Ask your youngsters to be considerate, too.

## FRONTIERS beyond

There are always new frontiers to telephone service, problems to be solved, improvements to be made, and there will always be Telephone Pioneers pushing on to new achievements.
