

GOLDEN RULES

FOR GOOD PARTY-LINE NEIGHBORS

Make sure the line is not in use before dialing or getting the Operator.

When the need to call is urgent and the line is busy, explain that it's an emergency.

Make sure the receiver is firmly replaced after each call.

Don't talk longer than necessary, or make many calls one right after the other.

Remind children about these party-line courtesies, too.

We thank you... and so does your neighbor.

to someone, drop into our house
and use the phone.**

Public telephones are on duty to serve you 24 hours a day.
