Employee Identification Cards

For your protection, all telephone people who visit your home or office carry a Pacific Telephone identification card showing their name, photo, graph, signature and physical description.

Attachments

The Telephone Company furnishes all equipment necessary to provide telephone service. In the interests of safety and good service, no equipment, apparatus or device not furnished by the Telephone Company may be attached to, or used, or connected to its facilities except as otherwise provided in the Company's tariffs.

Rates

Rates and practices included in the directory are based upon those in effect at the time the directory was closed for printing and are subject to such changes as may be made from time to time.

Out-of-Town Directories

If your telephone service needs require that you frequently use a directory for a city, or calling area, other than your own, out-of-town directories are available through our Business Office. Some may be had without additional cost. Others may be obtained for a reasonable charge. For information, just call our Business Office.

Tariffs

Tariffs, showing rates and rules for telephone service and facilities, are on file with the California Public Utilities Commission. They are available in our Business Offices for public inspection. In addition, leaflets covering basic rates for service are available upon request.

Yellow Pages—Advertising

For information regarding Yellow Pages advertising, dial Operator and ask for Enterprise 12030 (no charge). Yellow Pages sales office headquarters, 900 3rd Street, San Francisco.

Public Telephones

Instructions are posted on or near telephone instruments. Please report service difficulties. A charge is not made on calls which are not completed.

"Beep" Tone

Occasionally people need to record or monitor a telephone conversation for business or other reasons. When this is being done, you will hear a beep tone every 15 seconds to let you know that your conversation is being recorded or monitored. This signal is legally required to protect you.

Calling Another Party on Your Line

If you always hear a busy signal or a high pitched tone when calling a certain local number, it may be that the number is on your party line. To find out if it is and how to complete your call, dial 611 for Repair Service.

Telegrams

(From non-coin telephones)
Call the number listed for Western Union
(From coin telephones)
Ask Operator for Western Union

From non-coin telephones charges will appear on your telephone bill. From coin telephones pay as you would for a telephone call. To send cablegrams or radiograms, or for additional information, see the listing of Western Union Telegraph Company in this directory.

Business Office Locations

Your account is handled by a representative at the Business Office who will help you with any service requirement. She will arrange for new or additional telephone service, a move or disconnection of service, listings in the directory, and information regarding Yellow Pages advertising. She will also answer questions about your bill or payments, and will furnish information on other telephone matters.

Office hours are from 8:30 A.M. to 5:00 P.M. (Closed Saturdays, Sundays and holidays).

Payments when the office is closed may be left in the Payment Depository at your Business Office.
