helpful hints to find listings quicker and easier

All listings are in alphabetical order.

To find the name:

- 1. Find the page. See key names at top corner. (Key names are the first and last names on each page.)
- 2. Find the column. Scan columns across top of page. Select column where name would be likely to appear.
- 3. Find the name. Check down the column to the name you want.

Government listings:

- 1. State offices See California State of
- 2. City offices See (Name of city) City of
- 3. County offices See (Name of county) County of
- 4. Federal offices See United States Government

Letters used as names:

1. Find at the beginning of the listings of that letter. Example: R L Institute - see beginning of the R's. It will be listed alphabetically.

Numbers used as names:

1. Find number as it is spelled. Example: 299 Corner Cafe -- see Two Nine Nine Corner Cafe.
