UNLIMITED SERVICE

The monthly rate provides for an unlimited number of local calls without extra charge.

MEASURED SERVICE

An allowance of 80 local calls is included in the monthly rate. Every local call made over the allowance is billed as a message unit at 5¢ each.

COIN PHONE SERVICE

Coins are deposited in the phone to pay for calls when they are made. Each local call is 10¢.

NON PUBLISHED LISTINGS

A charge of 15¢ a month is made to help defray the cost of handling the confidential records and the increase in Directory Assistance calls generated by non-published listings. All or part of the listed address may be deleted at no charge.

EXTENSION TELEPHONES

The monthly rate for each standard extension telephone is \$1.00 on residence service and \$1.25 on business service. A one time installation charge applies.
