Unassisted rates apply to calls completed without operator assistance. Operator assisted rates apply to calls from coin phones or hotel guest phones; calls charged to another number or credit card; collect or person calls; and calls for which time or charges are requested. Ask Operator for person rates. Mexico rates are not reduced on holidays.

* The unassisted rate also applies to calls you cannot dial direct. Charges are based on rates in effect at the time of connection at the calling point. This also includes calls beginning in one rate period and ending in another. All rates exclude tax.

international long distance

INTERNATIONAL DIRECT DISTANCE DIALING (IDDD) is available now from certain prefixes in California. Gradually, IDDD will be extended to other prefixes until all telephones are equipped to dial direct to the foreign countries listed below. You will receive a folder of dialing instructions when IDDD is available from your phone. Meanwhile, if you wish to place an international call, dial Operator. If you wish more information about IDDD, please call your business office.
