Requests for Directory Assistance placed through the "0" Operator cost \$1.00 each. An additional 25 cents may apply depending upon the status of the allowance.

Directory Assistance charges also apply to:

- Foreign Exchange service for customers located in Independent Company areas.
- Searches for unlisted numbers.
- Numbers which the Operator cannot find.

The visually and physically impaired may apply for exemption from these charges through the Business Office.

Six ways to save on Directory Assistance charges

1. Use your directory. Directories for the communities in your home Area Code are available at no charge.
2. Write down the numbers that you call frequently. Circle or underline a number in your directory to quickly find the number a second time.
3. To get the number of someone who has recently moved, call the old number and you will generally get the new number.
4. If you need two or three numbers, request them at the same time. Once a call to Directory Assistance has been placed, the second and third listing is given at no charge.
5. To save extra calls, give the name with accurate spelling and correct address, if needed, the first time you call Directory Assistance.
6. Use the Yellow Pages to locate many businesses such as restaurants, theaters, and stores.

Errors in directory listings
