## Rates within your Service Area from Sacramento

# A26

### Lowest rates — dial-direct one-minute rates

Dial-direct calls are those completed from and billed to a residence or business phone without Operator assistance.

On dial-direct calls, you pay only for the minutes you talk. The initial rate period is one minute any time of day or night.

### Rates and discount periods

Full weekday rates apply 8:00 A.M. to 5:00 P.M., Monday through Friday.

Lower evening rates apply 5:00 P.M. to 11:00 P.M., Monday through Friday. The discount rate is 30% less than the full weekday rate.

Lowest night rates apply 11:00 P.M. to 8:00 A.M., Monday through Friday, all day Saturday and Sunday, and on the Holidays listed below. The discount is 60% less than the full weekday rate.

The discount rates shown on this page are approximate. When calculating charges for billing, fractional cents are dropped.

Charges are based upon rates in effect at the time of connection at the calling point and will change if the call continues into a new rate period.

The sample rates shown on these pages exclude all taxes.

### Night rates apply (within your Service Area only):

New Year's Day  
Washington's Birthday (California) (Third Monday in February)  
Independence Day  
Labor Day  
Thanksgiving Day  
Christmas Day

### Rates to other Service Areas

Long distance services to telephone numbers outside your Service Area are provided by other companies.

Rates are determined by the company or companies that provide your service.

See the Pacific Bell Yellow Page Listings under the "Telephone Communication Services" heading for information about long distance calling systems.

### Discounts of the full weekday rates apply evenings, nights and weekends.

	M	T	W	T	F	S	S
8 A.M. to 5 P.M.							
5 P.M. to 11 P.M.							
11 P.M. to 8 A.M.

## Rates within your Service Area from Sacramento

# A27

### Higher rates—Calling Card calls

Calling Card calls cost more than dial-direct, but less than Operator-assisted calls.

### Highest rates—Operator-assisted calls

Operator-assisted calls include person and station calls, for example; bill to a third number, collect, requests for time and charges, and certain calls placed from hotels.

A one minute initial period applies to Operator-assisted calls.

The rates for Calling Card, Coin Paid and Operator-assisted calls are the dial-direct rates shown on the opposite page plus a service charge.

Service charges, per call, which are never discounted, apply as follows:

\$ .40 for Calling Card calls.  
1.00 for station calls. Except coin paid calls  
3.00 for all person-to-person calls.

\$ .25 for a coin paid call - 25 miles  
or under (includes tax.)  
.50 for a coin paid call over 25 miles.  
(includes tax.)

### How to figure the weekday charge for:

Customer dial-direct calls  
Calling Card calls  
Operator-assisted Station calls  
Operator-assisted Person calls

Following are examples of the four types of calls listed above. To figure the weekday charge for a seven minute call from Sacramento to North Tahoe: begin with the dial-direct weekday rate shown on the opposite page, add the total charge for each additional minute or minutes and the service charge.

For example:

<b>Customer dial-direct calls</b>	
Weekday first minute rate	\$ .41
Additional minutes (6 X \$.32)	1.92
Service Charge does not apply	
Total charge	\$2.33

### Calling Card

Weekday first minute rate	\$ .41
Additional minutes (6 X \$.32)	1.92
Service Charge	.40
Total charge	\$2.73

### Operator-assisted station call

Weekday first minute rate	\$ .41
Additional minutes (6 X \$.32)	1.92
Service Charge	1.00
Total charge	\$3.33

### Operator-assisted Person call

Weekday first minute rate	\$ .41
Additional minutes (6 X \$.32)	1.92
Service Charge	3.00
Total charge	\$5.33

### Rates for calls from Public (Coin) Telephones:

A one minute initial period applies to all coin paid calls. Sample rates for coin paid station calls are shown below. Service charges apply to all coin paid calls (dial-direct or person to person).

Weekday rates	Station rates initial period
Coin paid	Coin paid
Sample rates from Sacramento to:	One# minute
Alpine	\$.44
Auburn	.32
Coleville	.44
Colusa	.38
Grass Valley	.35
Gridley	.38
Isleton	.29
Marysville	.35
Nevada City	.38
North Tahoe	.41
Placerville	.32
Shingle Springs	.32
South Tahoe	.41
Truckee	.41
Winters	.29

#Each additional minute is charged at dial-direct rates shown on the opposite page under the appropriate time of day.

The charge for calls paid for by coin deposits is rounded to the nearest multiple of .05 cents.

Following is an example of a coin paid call from Sacramento to North Tahoe. This sample illustrates the rounded initial and overtime charges plus the dial-direct service charge for a call of twenty-five miles or more.

<b>Coin paid dial-direct call</b>	
Weekday first minute rate	\$ .40
Additional minutes (6 X \$.32)	1.90
Service Charge	.50
Total charge	\$2.80

Rates are those in effect on October 11, 1985. They may change if authorized by the California Public Utilities Commission.
