

Inter-City Calls

Inter-City calls may be classified under two heads as follows:

I. CALLS HANDLED BY YOUR LOCAL OPERATOR

Station-to-Station calls to certain points, the names of which are preceded by a star (★) in the list of rates on inside front cover, will be accepted by your local operator when placed by number. If you do not know the telephone number, consult the Directory or call "Information" before placing your call.

For *Person-to-Person* calls to points to which *Person-to-Person* service is available—call "Long Distance" or dial 211.

II. CALLS HANDLED BY THE LONG DISTANCE OPERATOR

The principal classes of telephone service rendered by the Long Distance Operator are the *Station-to-Station* and *Person-to-Person* services. An explanation of these services and the method of placing calls under each class is presented below.

Faster service is obtained on all calls if the number of the called telephone is given.

APPOINTMENT CALLS

An Appointment Call is one on which you wish arrangements made in advance with the called station or person to talk at a specified time. *Person-to-Person* rates apply to calls of this nature.

MESSENGER CALLS

A Messenger Call is a call for a particular person requiring a messenger to bring the desired person to the telephone. *Person-to-Person* rates apply to calls of this nature. The charge for the messenger applies even if the desired conversation is not held and is in addition to the Telephone Company's message charge.

REPORT CHARGES

A limited charge, known as a "Report Charge," is made on uncompleted *Person-to-Person*, Appointment, Messenger, and Collect calls if the called telephone is reached but communication between the calling and called parties is not established for reasons beyond the control of the Telephone Company.

COLLECT CALLS

Upon request, the charges on Inter-City calls to most points within the United States, Canada and Cuba may be collected at the called station, as follows:

Station-to-Station Calls—At the *Station-to-Station* rate when the initial period rate is 25c or more, provided anyone answering at the called station accepts the charge. When the initial period rate is 20c, a special collect rate of 25c applies. If the initial period rate is less than 20c, the corresponding *Person-to-Person* classification and rate applies provided this service is available.

Person-to-Person, Appointment and Messenger Calls—At regular rates applying to these calls provided the called party accepts the charge.

CONFERENCE TELEPHONE CALLS

A conference telephone call is one that enables from three to six people in different cities to carry on a joint conversation. You need no special equipment. Just call "Long Distance" or dial 211 and ask for the Conference operator. When she answers, give her the details of your call. Rates and other information may be obtained from her.

Rates

From 7:00 P. M. to 4:30 A. M. every night and all day Sunday, rates are lower on both *Person-to-Person* and *Station-to-Station* calls to the majority of points. See inside front and inside back covers for rates to certain points. Rates to points not listed and other information regarding Inter-City calls may be obtained by dialing 211 or calling "Long Distance."
