

Our customers are not "just numbers"

We men and women who serve your telephone at switchboards, behind office desks, on trucks and poles and in a hundred more seen and unseen ways are individually and personally interested in the quality of your telephone service.

Many of us are stockholders in the Bell System. Many of us have made the telephone calling our vocational life's work. All of us are animated by the Spirit of Service, which means *the most telephone service and the best, at the least cost to the public.*

We appreciate your cooperation in our efforts to give you good service.
