

LONG DISTANCE SERVICE

STATION-TO-STATION CALLS

—When you will talk with anyone who answers at an individual line or party-line telephone or private switchboard.

Station-To-Station Calls To Nearby Points, the names of which are preceded by a star (*) in the list of rates on the inside cover of this telephone directory should be placed with your local operator by telephone number.

For Example: "San Mateo 2-6569." If you do not know the telephone number, consult the directory or call "Information."
(Place Station-to-Station collect calls as provided below for placing calls to other cities.)

Station-To-Station Calls To Other Cities are placed by calling Long Distance or dialing "211" and telling the operator who answers the city or town you want, the out-of-town telephone number, if you have it, or the name under which it is listed.

For Example: "Bakersfield 4-5099." Or if you do not know the telephone number: "Bakersfield, anyone at Mr. John Doe's residence, 34 Blank Street."

PERSON-TO-PERSON CALLS

—When you want to reach a particular person, or a particular extension telephone or department connected through a private switchboard.

Person-To-Person Calls are placed by calling Long Distance or dialing "211" and telling the operator the city or town, the out-of-town telephone number, if you have it, or the name under which it is listed, and the name of the person you want.

For Example: "Bakersfield 4-5099, Mr. Brown." Or if you do not know the telephone number: "Bakersfield, John Brown at his residence, 1234 Highland Blvd."

GENERAL DIRECTORY MATTERS

ERRORS

Every effort is made to make the directory as accurate as possible. Sometimes, however, despite this care and attention, errors occur. Please check your listing and if it is incorrect, call the Business Office promptly. The Company assumes no liability for damages arising from errors or omissions in the making up or printing of its directories.

COPIES OF THIS DIRECTORY

Use of an out-of-date telephone directory interferes with good telephone service, as each new issue contains many changes in numbers and listings. Simply as a matter of good service, the Telephone Company retains ownership of telephone directories. For this reason we ask that they be given to the delivery man at the time the succeeding issue is distributed.

If you did not receive the latest copy of the directory, please get in touch with the Business Office.

APPOINTMENT CALLS

Appointment Calls are Person-to-Person Calls on which you wish arrangements made in advance with the called station or person to talk at a specified time.

MESSENGER CALLS

Messenger Calls are Person-to-Person Calls requiring the use of a MESSENGER to secure attendance of a designated person at a telephone at the called place.

COLLECT CALLS

Upon request, the charges on calls to most points within the Continental United States, and to Canada, Cuba, Hawaii, and Puerto Rico, may be collected at the called station as follows:

Station-To-Station Calls—At the station-to-station rate, when the initial period rate is 25c or more, provided anyone answering at the called station accepts the charge. When the initial period rate is 20c a special collect rate of 25c applies. If the initial period rate is less than 20c, the corresponding Person-to-Person classification and rate applies, provided this service is available.

Person-To-Person, Appointment, and Messenger Calls—At regular rates applying to these calls, provided the called party accepts the charge.

OBTAINING CHARGES

If you wish to obtain the charge for a Long Distance call, please ask the operator to "Quote charges". This request, made at the time you give the operator the called number information, will be answered when your conversation is completed. Due to war-time demands on both operators and equipment, it will be helpful if such requests are made only when the information is necessary.

DIRECTORIES OF OTHER CITIES

Telephone directories of other cities may be consulted at our Business Office. We cordially invite you to make use of these directories. If you desire any copies, they may be secured at an additional service charge by arrangement with the Business Office.

STREET ADDRESS DIRECTORY

A telephone directory arranged by streets instead of names is available at an additional service charge, to business concerns requiring it for mailing lists, mapping out canvassing and delivery routes, tracing the spread of business, checking names and addresses.

Streets are arranged in alphabetical order. Every telephone subscriber is listed according to his street and house number. The street address directory is revised frequently in order to keep it up-to-date. If you are interested, particulars regarding this service may be obtained by calling the Directory Department.
