Don't forget to plan for con-
cealed telephone conduit and
convenient locations for tele-
phone outlets when you build
your new home. These built-in
telephone facilities add real value
to a home, yet their cost is very
small if they are installed during
construction.

Telephone cords and water
don't mix. A wet cord can put your
telephone out of order, so please
keep your telephone cord away
from sinks, valves, steam and
other places where water might
get on it.
