Good party-line neighbors are considerate party-line users. Remember these golden rules:

- Space your calls instead of making several without a break.
- Talk only as long as necessary on each call.
- When you finish talking replace the receiver properly.
- Make certain, if you are using a dial telephone, that the line is clear before you dial.
- Ask your youngsters to be considerate, too.

NEWSPAPER FIREWOOD

To make a small grate or stove fire, or to kindle a big one, use old newspapers which have been rolled up tightly, soaked overnight in water, squeezed out and allowed to dry for several days. The tighter they are squeezed, the better firewood they make.
