KEEP LIGHT FROM MILK
Keep light from milk to prevent
loss of riboflavin, its most important
vitamin element. If you don't
meet the milkman, leave out a
covered, insulated box for bottles
of milk. Remember that light hurts
milk more than heat does in a
short time.

QUICK BRASS CLEANER
You can clean copper and
brass instantly by rubbing with a
mixture of vinegar and salt. The
finish won't last as long as with
regular metal polish, but the mix-
ture does a fine job.

STOP THOSE SPOTS
To prevent old oil or grease
spots on walls from "leaking"
through onto new wallpaper
apply a coat of clear shellac
before papering.

Use the latest directory. Get the
right number . . . right away.

Advertise here—it pays.
