

SAVE STEPS—TIME AND MONEY

YOU CAN **IF** YOU USE THE NEW STREET ADDRESS TELEPHONE DIRECTORY FOR MORE EFFICIENT OPERATION IN YOUR BUSINESS

IF YOU HAVE SALESMEN OR SELL BY TELEPHONE

It is easy to secure the prospect's name when the only lead you have is the address. Telephone solicitation can be confined to certain areas — selected streets — particular addresses.

IF YOU ADVERTISE BY DIRECT MAIL

It saves you money on postage, for you are assured of the latest correct addresses. With this directory you can block out the more select areas of the city for your mailing campaign, or take in all areas if so desired.

IF YOU CARRY CHARGE ACCOUNTS OR HAVE A COLLECTION PROBLEM

It can be an important aid in verifying telephone orders — verifying an illegible name where address is correct — verifying names for cashing checks — locating customers who have moved — locating delinquent debtors.

IF YOU HAVE DELIVERY SERVICE

Preparing routes by streets and areas — verification of name when only address is known — pick-ups and deliveries — locating deliveries to wrong addresses.

Hundreds of firms subscribe to this Directory, and depend on its information, which is as accurate as your Telephone Book.

*How to make
good telephone service
even better....*

Share a party line?

These easy pointers can help you and your party line neighbor enjoy even better telephone service: When you have a series of calls to make, allow a few minutes between them • Replace the receiver properly after calling • If you have a dial telephone, make sure the line is not in use before you dial • Ask the children to be considerate, too. You'll not only be a good telephone neighbor if you do...

but others will have a better chance to reach you!
